# Bath & tidy

A Bath & Tidy involves a bath and dry, tailored shampoo, complete brush through/de-shed, sanitary trim, ear clean, feet tidy, ear trim, cut/file nails (includes all Additional Services).

Perfect for: French Bulldog, Pug, Labrador, Beagle, Bulldog, Cockerpoo, Poodle, Schnauzer, Cavapoo, Goldendoodle

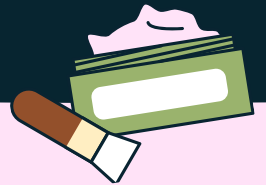

*Every breed would benefit from a Bath & Tidy!*

## What are the benefits?

Keeps your dog smelling and feeling fresh, and no more shedding!  
Helps maintain the coat, keeping it healthy and encourages a better result for the Full Groom.

Ideal for in between haircuts – especially when Full Grooms are longer than 8 weeks apart. A Bath & Tidy groom can also assist your dog if they require regular medicated baths. These medicated shampoos can be used alongside the groom (must be bought in by owner) and help with recovery of their skin and coat.

## Groomer notes

I would **highly recommend** a Bath & Tidy in between Full Groom appointments if you want your dog to have a long/fluffy coat.

There is no 'haircut' which is why the cost is cheaper – only if your dog requires a Full Groom every 5-8 weeks.

# Full groom

A Full Groom involves a complete haircut, bath and dry, tailored shampoo, complete brush through/de-shed, sanitary trim, ear clean, feet tidy, ear trim, cut/file nails (includes all Additional Services). Full grooms usually take 2-2.5 hours depending on the size and coat condition. We take mini breaks during the groom for your dog's comfort.

We recommend you bring photos to show your groomer any haircuts you wish to try. Especially when trying something new!

**Perfect for: Cockerpoo, Poodle, Schnauzer, Cavapoo, Goldendoodle, Golden Retriever, Bichon Frise, Scottish Terrier, Yorkshire Terrier, Border Terrier, Corgi, Pomeranian**

## What are the benefits?

Whether you want a Breed Standard Schnauzer or a Teddy Bear style Cockerpoo, the Full Groom will provide that. This appointment will give you *all the benefits* from a Bath and Tidy, as well as, a full haircut. We will discuss your dog's coat type and your preferences with you ahead of the groom. Please feel free to *ask the groomer* for any suggestions. Breed standard and Hand Stripping/ Scissoring prices may vary.

**Haircuts will be done humanely and if there's too much matting present, the owner will be notified and the appointment will either continue with a shave down or will be cancelled/rearranged – as per grooming consent form.**

# Puppy Intro

This appointment is so the puppy can *learn the process* and be introduced to the equipment, environment and the groomer. A Puppy Intro consists of a Bath & Tidy groom – no haircut. Puppies can start coming 2 weeks after their second puppy vaccinations. Perfect for all breeds!

## What are the benefits?

This appointment is purely about introduction and building trust. The groomer will take longer, so not to intimidate the puppy and create a comfortable environment. It is beneficial to get them used to the experience and for them to understand it is a normal (and fun) part of a dog's life.

## Groomer notes

It's important to get your puppy groomed *as soon as possible* – it is proven that starting a dog at a young age helps to desensitise them to the process (especially if your dog breed requires regular grooming). Depending on the mental state of the puppy, certain parts of the groom may be left.

**The groomer will monitor the puppy throughout the groom and take appropriate measures to keep them calm. However if they show signs of distress, then the appointment will stop. In this situation, a new appointment will be made so not to overwhelm the puppy.**
